

No color "come-on"

This plate holds good foods and good flavors, but something's missing—color.

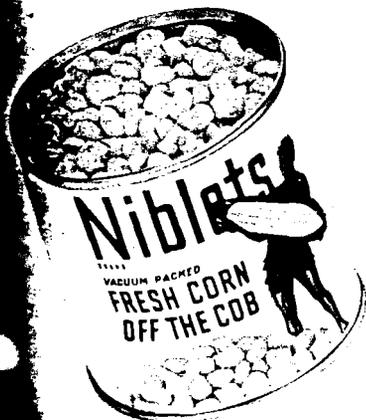

More color-better eating

Add Niblets Brand whole kernel corn to the plate and you add color —but you also add a very special quality of flavor and tenderness.

Cheer-up color

How such a simple change as adding the golden cheer of Niblets Brand whole kernel corn brightens up a meal.

Golden color, the farm-fresh flavor—just add Niblets Brand whole kernel corn? The answer is yours to savor by the golden hour.
